

Louisiana SPCA Monthly Animal Care Report

February 2016

Our goal is to eliminate euthanasia of healthy adoptable animals.

**This total includes owner requested euthanasia.
 **Unadoptable animals include animals for whom euthanasia is the most humane alternative due to injury, disease, are vicious, fractious or exhibit extremely fearful behavior.*

Less common placement and intake options are not shown but are included in the total count.

**An additional 103 animals were cared for in Foster Care.*
